

DPF Exhaust
Clamps

One-Box Kits
for DPF Cleaning

DPF Gasket
Kits

V-Clamps &
More

LOW COST, OEM-QUALITY REPLACEMENT PARTS FOR YOUR MAKE & MODEL!

EXPENSIVE REPAIRS & DPF OVERHAULS CAN SIDELINE YOUR FLEET

We're now providing money-saving OEM approved aftermarket and one-box assembly kits for use in DPF cleaning. Turn to us to save money on aftermarket OEM DPF exhaust clamps, DPF gasket kits, V-clamps, spring-loaded T-bolt clamps, mini clamps, hose clamps, constant torque clamps and more. Your major make and model are covered!

Expect an average savings of \$100 or more, compared to draining your account on brand new OEM parts, labor, and installation. Call us to learn more at (559) 240-6076!
