**Topic of
Discussion**

How to save when you operate under the Ag Mileage Extension by taking advantage of a special allowance for retrofits until January 1, 2023, and other helpful updates for NOx Exempt Counties!

Learn how to satisfy California state emission requirements and take advantage of savings/retrofits that may be available to you. Also learn more about Off-Road Regulation requirements from Randy Opfer at CARB.

SPEAKERS:

Bob Gaffney and Stephen Davis

Advanced Emission Control Solutions

Randy Opfer

Heavy Duty Incentive & Training Section

California Air Resources Board
